OSTOMY CANADA SOCIETY INC. PRESENTS...OUR FIRST NATIONAL WEBINAR!!!

WHAT: **Life with an Ostomy – The Messy, the Clean and Everything in Between!**

WHO: Leslie Heath, RN, BScN, MCISc-WH, WOCC(C). Clinical Nurse Specialist (NSWOC) at University Health Network – Toronto General Hospital

WHEN: **Thursday, November 18, 2021 at 5:00 pm to 6:00 pm EST.** Please sign on a few minutes ahead of start time.

WHY: To begin a series of national webinars to help those living with an ostomy, their families or circles of care to learn more about an ostomy and how to “live life to the fullest”. Our goal is to produce four webinars in 2022. Topics will be shared approximately 1 month ahead of schedule (TBD). Your suggestions are welcomed.

HOW:

- This session will be moderated by Ostomy Canada Society Inc.
- We will use the Microsoft TEAMS platform available through your computer or browser. Please make sure you have the application downloaded in advance of this forum
- To avoid background noise, we will mute all participants when they enter the meeting
- We will limit the number of participants to 250. Should we exceed that number – we will look to other platforms in the future.
- We will facilitate questions through the “question/chat/show conversations” - you can ask your questions during the webinar. Answers will be given at the end of the presentation. If we run out of time – we will do our best to answer post event.
- Cannot make that date/time? No worries the session will be recorded and shared on our website. Our plan is to have it posted within 10 days.
- Future webinar notices will be shared on our website and Ostomy Connects Newsletter. We are also looking into a formal “registration” on Teams for future sessions.
- Questions – send to john.hartman@ostomycanada.ca
